

Way description

How to find DELMAG?

The industrial area where DELMAG is seated has a very good transport connection using the national highway B10. You leave the B10 at the exit Esslingen-Zell, Sirnau, Industriegebiet (industrial area), drive over the bridge of Dieter-Roser-Brücke crossing the river of Neckar and turn left into the Zepelinstraße. After about 250 m you turn right into the Max-Planck-Straße. You find us on the right side.

Have a safe trip.
